LIMITATIONS This report includes information of the item(s) described above only, as recorded, during testing and grading, limited to the methods and equipment available by the E.G.L. Platinum laboratory at the time of the examination. Results of any repeated testing of the item(s) may differ depending on new improvements in techniques and/or equipment employed by the E.G.L. Platinum laboratory and/or alterations made to the item(s) since its previous testing. For further limitations, please refer to the back of this report.

ORIGINAL This report is supplied upon request of the customer and is issued for his exclusive use. The report expresses an opinion of the time of examination of the item. It is not a guarantee, nor a valuation nor an appraisal of any kind. E.G.L. has made neither a representation nor warranty regarding this report of the item described. This report represents only the best professional opinion of the company. In any event, E.G.L. and/or its workers are not responsible for any loss, profit loss, damage or expense resulting from any error found in this report. E.G.L. is in no way liable or responsible for differences which could occur by repeated expertise and/or use of other standards, norms, methods or others other than those chosen by E.G.L.
